## 2009 Ladies League Rules

- \* Hole #1 will be played as a par 4.
- \* When all 4 players are in the clubhouse, begin play ASAP and play ready-golf.
- \* In order to speed up play, follow the IGA guidelines for max score per hole (listed below).
- \* Use your club head to move the ball six inches, no closer to the hole in the ROUGH ONLY.
- \* If you cannot play on a scheduled night, you can make it up anytime prior or up to two weeks after the scheduled date. Date your card with the date of the match you are making up.
- \* Play CANNOT be made up by one team playing earlier in the day and the other later. At least one person per team must play together.
- \* If a team forfeits, the opponent will get 7 points as long as they play.
- \* If neither team can play, no points will be awarded to either team.
- \* Rainout - no points will be given for a rainout resulting in less than 5 holes played. ALL teams must complete 5 holes to get points for a rainout - scores from the first 5 holes will be use and the last 4 holes will be split. If you play your match prior and the scheduled night is rained out, scores from the first 5 holes will be used and the last 4 will be split.
- \* Write any improved scores down for Ringer (all players included in Ringer).
- \* Put your own score into the computer after each match.
- \* If you are signed up for Birdies/Chip-ins, write your name and hole on the skins sheet.
